

LIST OF PROJECT TITLES (1443-1444/2021-2022)

Sl. No.	Project Titles
1.	Weapon Detection using image processing
2.	Driver Distraction using image processing
3.	Virus Detection System

4.	Currency Recognition and Conversion System
5.	Gender and age detection system
6.	Detection of brain tumors using image segmentation
7.	AI Life Coach
8.	Virtual Document Access using QR Code
9.	Learn to Drive with Reinforcement Learning
10.	Pick it up and pass it on App
11.	E-Vaccination Management System
12.	My Plan: A Self-Regulated Learners Support App
13.	Sign Language Detection and its Text conversion
14.	Tourism Management Application
15.	Events Management System
16.	Rise My Talent
17.	Teaching first-grade children reading Arabic through voice recognition
18.	Credit Transferring Process Automation
19.	Students Guidance System
20.	Android Application for new students
21.	Food waste management system
22.	Virtual Reality for Elders
23.	Recommendation System for schools in Abha
24.	Religious Tourism in KSA
25.	Check the Grocery price range app
26.	Stadium Reservation Website
27.	Maintenance Management System
